

Returns Policy

We accept returns on most stocked products and non bespoke printed items.

Should you wish to return any product for a refund, please contact our sales department with details of the products to be returned and if possible a brief explanation of the reason.

Providing the product can be re-stocked we will provide you with a returns label which you will need to print and enclose with the item you are returning.

After the goods have been received and inspected and providing they are in new condition and supplied in original packing, we will issue a full refund minus the cost of the original outbound delivery cost.

Please send all returns to:

Returns Department
Tailored Displayz
61 Jackson Road,
Bagworth,
Coalville,
Leicestershire
